## 2005 Pinot Noir RESERVE WILLAMETTE VALLEY

Darker notes than the 06 Willamette Pinot, with garnet brilliance. Toasty, caramel overtones with very earthy qualities, black cherry and cassis fruits, classic Burgundian spice and cinnamon. The entry is bright fruit, very smooth, soft but not sweet, earth and cinnamon spice. Supple on the midpalate, with long red and black cherry finish. Again, flavors of earth spice lend beautiful overtones. Like the WCWW 06 Pinot, this wine harkens to classic Willamette Valley pinots before Robert Parker.
